

Marshside Primary School

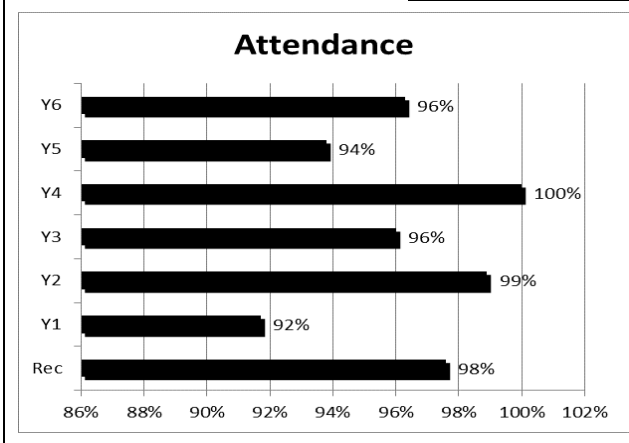

Newsletter 2 Monday 20th January 2020

As you are all aware we had an Ofsted inspection last week. These are always challenging times. I would like to thank every member of staff at Marshside for preparing and presenting our school as it is. And of course thanks to the children for behaving so wonderfully, they were an absolute credit to the school. We will have more information about the inspection in the coming weeks and I will share this with you when I can.

CLUBS

All the free clubs which are hosted by members of staff start this week. Children will have been notified which clubs they have been successful in joining. Again I would like to take this opportunity to thank the members of staff for providing these opportunities which they do in their own free time.
