### Breakfast and After School Club Provision

Dear Parents and Carers,

Firstly, thank you for your patience with regards to our wrap around provision. As previously stated we needed to ensure that our risk assessment was fit for purpose and we could keep everyone safe and well. We now feel that we can offer this provision as from Monday 21<sup>st</sup> September.

In order to be able to use this service we will require you to book in advance. We require bookings at least 48 hours in advance to ensure we have the appropriate number of staff and the correct amount of space to keep everyone safe.

Initially, we require you to use the form below to book the sessions required for the week commencing 21<sup>st</sup> September and then we will liaise with you as you drop off and collect your children. If you know that you require the same level of service each week then please state that on the form below.

We ask that you only access this provision if you need it. If you can make alternative provision then please do so to help limit our numbers, therefore minimising the risk.

Yours gratefully,

Mrs Natasha Sandland  
Headteacher

Mrs Jo Murphy  
Afterschool and Breakfast Club Leader

Child's/Children's name \_\_\_\_\_ Class(es) \_\_\_\_\_
